

Our Third Annual Sensory-Friendly Show

AUDITIONS

WHAT: Our sensory-friendly shows are a collection of songs, scenes, dances, and unique acts put together to provide a unique and entertaining afternoon of theater. The performance is modified to be welcoming to people with sensory sensitivities, autism, cognitive disabilities, their families and their community.

WHY: Our theatre community understands the value of families and community coming together to laugh, feel, share, celebrate and enjoy performers showcasing their talents.

WHO: Versatile and flexible performers of all ages who don't mind a bit of improv, a bit of developing a show around a flexible format, and celebrating the talents of others.

WHEN: Auditions are Saturday, 4/18/26 from 1-4:00PM at Stuart's Opera House. Rehearsals are Tuesdays and Thursdays from 6:30-8:00PM with optional catch rehearsals on Sundays 4-6:00PM.

BECAUSE OF THE NATURE OF THIS SHOW, ACTORS MAY NOT BE NEEDED AT EVERY REHEARSAL

Performances are Saturday, June 6th and Sunday, June 7th

HOW TO PREPARE: Watch a lot of the Muppet Show. Seriously. That is much of the 'feel' of this show. Auditions will consist of readings from scenes, movement, improv, please prepare 30 seconds of a song to sing, we will have media players and speakers available. If you have a talent: magic, accordion, juggling, playing the washboard, spinning pillows that you would like to show off in this family-friendly show, please be prepared to show that talent off.
